THE NEW AGE FURNITURE  
FROM **SUPREME**

STYLISH • DURABLE • AFFORDABLE

An acknowledged leader of the Indian plastics industry, Supreme processes nearly 7,00,000 tonnes of polymers every year -- volumes that make it one of the largest polymer converters in the country. The Supreme Industries annual turnover crossed ₹ 10,400 crores in 2024-25.

Incorporated in the year 1942, the Supreme Industries Limited is at the leading edge of the plastic processing industry today.

The Group's 30 state-of-the-art plants at strategic locations countrywide, feature new generation technologies accessed from world leaders.

The focus of the Group now is increasingly on developing superior, specialized application-specific variants in each product category -- to offer greater value to all its customers.

At Supreme, sustainability also encompasses a deep-rooted commitment to social care and community empowerment. Through our Corporate Social Responsibility (CSR) initiatives, we strive to uplift the less privileged sections of society by focusing on healthcare, education, sanitation, clean drinking water, women's empowerment, skill development, and social infrastructure. Our efforts are guided by a mission-like dedication to making a tangible difference in the lives of those in need.

# STYLISH PREMIUM FURNITURE COLLECTION

## FROM SUPREME

---

### BRING ALIVE YOUR HOME & OFFICE DECOR WITH SUPREME FURNITURE

Supreme, the market leader in modern, contemporary furniture presents its trendsetting premium range of furniture, outstanding in design and exceptional in value. Our inspired range of furniture exemplifies a unique combination of design coupled with skilled craftsmanship.

Combining our passion for colour, aesthetics, design and comfort, we have created a truly exceptional range of both indoor and outdoor furniture to liven up every corner of your living space.

Precision-engineered using the latest technology and crafted from the finest grade of glass reinforced speciality polymers, the best available additives and colour pigments, the premium collection is a testimony of Supreme's uncompromising commitment to quality.

Supreme Furniture is manufactured at seven state-of-the-art manufacturing facilities spread across the country.

In fact, Supreme is one of the first company in India to get BIS licence and an ISI mark for one of its chair besides being recognised with ISO certifications, and prestigious SA 8000 & SMETA certificates for meeting social compliance norms for one of the manufacturing units.

Supreme products are subjected to stringent quality tests like EN 581 -1 & 2, EN 1728, EN 1022 and meet various international quality management systems. Supreme Furniture is accredited with AIOTA certification for its ergonomic comfort.

## Lacquer Finish Furniture

Like a true market leader, Supreme has truly defined and redefined moulded furniture. The premium lacquer finish furniture spells class, wherever displayed. Every single object in this collection is a shining example of contemporary design, creativity and innovation.

The all-time favourites 'Ornate', 'Pearl', 'Texas Deluxe' & 'Regal Super Deluxe' in this series have a rich gleaming lacquer finish surface.
